RE: Notice of Oral *Ex Parte* Communication  
Docket GN 10-127  
Docket GN 09-191

Dear Ms. Dortch:

This notice is submitted in compliance with Section 1.1206(b) of the Commission's Rules.

On November 26, 2010, Tyrone Brown of Media Access Project ("MAP") spoke by telephone with the Chairman's Senior Legal Advisor Rick Kaplan with respect to the pending open internet proceeding. In the conversation, Mr. Brown urged that the Commission proceed promptly to a decision in this matter, and, toward that end, that the Chairman should circulate a draft order to the other Commissioners as soon as possible. He repeated MAP's opposition to any outcome which treats wireless broadband services differently than wireline services. He argued in favor of strong anti-discrimination provisions, and for effective enforcement mechanisms based on specific regulations, not a case-by-case complaint process.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Andrew Jay Schwartzman".
